## **DETAILED ACTION**

### ***Information Disclosure Statement***

1. The information disclosure statements filed 7/30/04 and 9/1/04 fail to comply with the provisions of 37 CFR 1.97, 1.98 and MPEP § 609 because the serial number on the IDS is incorrect, causing it to have been placed in the wrong application. The IDS therefore fail to comply with 37 CFR 1.98(a)(2), which requires a legible copy of each cited foreign patent document; each non-patent literature publication or that portion which caused it to be listed; and all other information or that portion which caused it to be listed. They have been placed in the application file, but only the US Patents referred to therein have been considered. The IDS filed 7/30/04 will be included with the next office action because the information contained in the foreign section of the IDS must be lined out by hand and the IDS rescanned thereafter.

### ***Election/Restrictions***

2. Claim 21, withdrawn without traverse in the reply filed 1/22/07, has been rejoined, being dependent upon an allowed claim

### ***Allowable Subject Matter***

3. Claims 3, 5-8, 10-23, and 25-41 are allowed.
